WE ARE A CONSTANT

Dear Partners

Before the world was impacted by the COVID-19 pandemic, PSA Marine had always been there for you, 24/7 rain or shine. This remains a constant after Singapore Prime Minister Lee Hsien Loong delivered his Circuit Breaker announcement on 3 April 2020.

The Port of Singapore plays a critical role in keeping the worldwide logistics and supply lines open. The PSA Group, including **PSA Marine provides essential services** and will continue to service the vessels calling at the Port of Singapore 24/7, following strictly to the necessary precautions that are already in place. We are proud to be part of the ecosystem responsible for the imported food in the supermarket and other daily essential needs of every person residing in Singapore and elsewhere in the world.

PSA Marine will continue to provide more information and updates as the situation unfolds. Together, we will prevail over COVID-19.

Stay Safe, Stay Courageous, Stay Strong!

Yours sincerely
